

Environmental Statement

This statement sets out the environmental commitments for Pinefield Glass and is consistent with our corporate policy.

This Environmental Statement applies to all activities undertaken by the company, their management and employees. It covers and applies to, all buildings, goods and services used and provided by Pinefield Glass and everyone working for us. It concerns the immediate impacts of our activities and policies.

The Environmental Statement excludes the indirect impact of our goods or services that we cannot control or influence and also our suppliers' impact that we are unable to influence.

Our activities are designed to reduce our harmful impact on the environment and everyone working for the Company, or on the Company's behalf, is asked to support this statement.

Objectives and Targets

- This Environmental Statement updates and replaces any and all previous statements.

We aim to: -

- Minimise our consumption of resources and raw materials
- Minimise emissions and reduce energy consumption
- Minimise waste from our activities and promote recycling
- Purchase from suppliers who share our concern for the environment and whenever possible, purchase and use recyclable products or products from sustainable sources
- Meet or exceed all environmental legislation that relates to the Company
- Exercise a positive influence, where we can, through our Environmental Awareness
- Have a positive effect with our Environmental Awareness training.

We will do this by: -

- Training and encouraging our staff to implement our Environmental Statement.
- Complying with, and wherever possible, exceeding all relevant environment legislation.
- Implementing a system to monitor and measure our impact on the environment.
- Continuing to integrate environmental aims into our business planning process for ongoing improvement.
- Actively communicating with employees and external contacts and clients on our Environmental Statement and engaging with them to achieve good environmental practice.
- changing our activities, where we can, to increase enthusiasm and support, stimulate self-mobilisation and action, and mobilise local knowledge and resources for environmental sustainability.
- Monitoring our progress with periodic reviews and set targets for improvement.
- Updating this policy as necessary, but will undertake to review at least annually.
- The Director(s) and/or Manager of the company, taking advice from those whom this Environmental Statement may affect and, if necessary, issue a revised version of this statement to reflect the latest developments.
- This Environmental Statement and any developments being communicated in an appropriate and effective way to all who may be affected by it.
